It gives me immense pride and joy to reflect on the resounding success of the 1st Edition of the Dhaka International Diagnostic Medical Equipment Expo (DIDMEE). What began as a vision to create a world-class platform for the medical and healthcare industry in Bangladesh has now become a reality. This milestone would not have been possible without the remarkable support of our partners, exhibitors, visitors, and well-wishers.

The inaugural edition welcomed over 8,000 visitors, featured 500+ exhibitors representing 1,000+ international and local brands, and brought together a highly influential audience, including 2,000+ hospital owners, 3,000+ doctors and medical professionals, and 3,000+ industry experts. This overwhelming response reflects the urgent need for such a platform and underscores Bangladesh's growing importance as a hub for medical innovation and healthcare investment.

On behalf of ECO Expo, I extend my heartfelt gratitude to all stakeholders who contributed to this success. Your participation and trust have laid a strong foundation for DIDMEE, making it more than just an exhibition—it is now recognized as a true meeting point for the future of healthcare in the region.

I am delighted to invite you to join us again for the 2nd Edition of DIDMEE, which will be held from January 1–3, 2026, at the Bangladesh-China Friendship Conference Center (BCFCC), Dhaka. With your continued support, we are confident the upcoming edition will be even more impactful, bringing together a greater network of innovators, healthcare leaders, and industry pioneers.

We look forward to welcoming you once again to shape the future of healthcare together.

Sincerely,

Md Rajwanur Rahman  
CEO, Eco Expo

# PRE-SHOW ENGAGEMENT

**1 MILLION+ SMS CAMPAIGN**

**5 MILLION+ EMAIL CAMPAIGN**

**10 MILLION+ WHATSAPP CAMPAIGN**

## **On-site inspections**

by the marketing executives

## **Establishing and promoting the brand**

Brands of participants promoted through social media within specific product categories and to a targeted audience.
